

# INSERT NO-LEAD BRASS BALL VALVES

## SPECIFICATIONS:

- Designed for use with polyethylene (PE) pipe, these insert no-lead brass ball valves feature an insert barb x insert barb connection.
- They allow for easy flow adjustment or positive shutoff.
- The full port design ensures maximum flow through the insert ends and ball.
- The chrome plated ball enhances durability, while the Teflon® seals provide a reliable and secure seal.

No Lead

## RATINGS

- Max Temp: 212°F
