

INSERT FITTINGS – HYDRANT TEES

NO-LEAD YELLOW BRASS

SPECIFICATIONS:

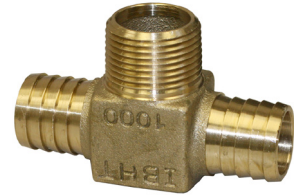

- Crafted with precision engineering, this hydrant tee features a flat bottom, allowing your hydrant to rest on a sturdy base.
- Made from solid no-lead yellow brass, this fitting meets federal low lead regulations and offers an economical and easy-to-install solution for connecting well pumps or submersible pumps to flexible polyethylene pipes.
- Specifically designed for ground bury applications, it meets the highest standards for durability and safety.
- Featuring an insert barb x male NPT x insert barb design, it provides a secure and efficient pipe connection.
- Hose clamps (sold separately) ensure a secure and easy installation.
- The maximum pressure and temperature ratings depend on the material and specifications of the pipe used, ensuring compatibility with diverse systems.
