

# EXTRA LONG MALE ADAPTERS NO-LEAD YELLOW BRASS

## SPECIFICATIONS:

- Crafted with precision engineering, this barb x barb coupling with hex ensures a seamless and secure pipe-to-pipe connection, setting the standard in precision and reliability.
- Made from no-lead yellow brass, this fitting provides an economical and easy-to-install solution for connecting well pumps or submersible pumps to flexible pipes.
- Designed with an extra-long coupling and hex, it ensures an easier grip and enhanced torque for a secure installation.
- Compliant with federal low lead regulations, the no-lead yellow brass extra-long male adapter ensures both safety and durability in various plumbing applications.
- Hose clamps (sold separately) ensure a secure and easy installation.
- The maximum pressure and temperature ratings depend on the material and specifications of the pipe used, ensuring compatibility with diverse systems.
