

LUBE BRUSH & PAIL OPENER

SPECIFICATIONS:

- The dope lube brush includes a built-in guard for added protection during use.
- It features a wooden handle for a comfortable grip, and its bristles are made from durable gray tampico fiber
- The pail opener is a versatile tool that combines three functions in one.
- It is designed to open Merrill's 1, 2, and 5 gallon lube pails.
- The tool features a plastic pail lid cutter for removing lids and is equipped with a hammer face to help reattach the lid securely.
- Its lightweight aluminum construction makes it easy to handle and durable for frequent use.
