

MULTI-SIZE WIRE CONNECTORS

SPECIFICATIONS:

- The multi-size wire connector features a heavy brass nickel-plated body, providing durability and corrosion resistance.
- It includes two set screws that securely hold the wires in place.
- Allen (hex) wrenches for the set screws are included in sizes 2MM (or 5/64") and 4MM (or 5/32").
- Each connector comes with two heat shrink sleeves: one with a 3/4" ID for the large wire end and another with a 3/8" ID for the small wire end.
- It supports wire connections from (#4 or #6) to (#10 or #12), as well as from (#4 or #6) to (#8, #10, #12, or #14).
