

REDUCING INSERT TEES POLYETHYLENE INSERT FITTING

No Lead

C.A. Certified

SPECIFICATIONS:

- The Plastic Reducing Insert Tee effortlessly features lateral plastic pipe inserts and a riser insert connection, providing a versatile solution for a wide range of plumbing needs.
- Constructed from durable poly, it delivers long-lasting performance, making it an excellent choice for both residential and professional plumbing applications.
- The triple-insert design ensures a secure and leak-free connection for multiple pipes, while its smooth construction allows for quick and easy installation.
- The maximum pressure and temperature ratings depend on the material and specifications of the pipe used, ensuring compatibility with diverse systems.
