

# PVC BALL VALVES – GLUE ON

## SPECIFICATIONS:

- Made from high-quality PVC, these ball valves are built for long-lasting durability.
- The full port design ensures excellent flow rates.
- Featuring slip-on (direct glue) ends, these valves are easy to install with no adapters needed.
- With a quarter-turn operation, they provide durable and reliable performance for a wide range of applications.
- Each ball valve is individually boxed.

No Lead
