

PVC INSERT FITTINGS – FEMALE ADAPTERS

SPECIFICATIONS:

- The Plastic Female Adapter effortlessly connects barbed and FNPT threaded ends (plastic pipe to female iron pipe), providing a versatile solution for a wide range of plumbing needs.
- It is specifically designed for secure attachment, with the barbed end easily secured using clamps to ensure a reliable connection.
- The adapter features a hex design in the middle for a wrench, which makes installation quick and easy.
- Its durable PVC construction guarantees long-lasting performance, making it an ideal choice for both residential and professional plumbing applications.
- The maximum pressure and temperature ratings depend on the material and specifications of the pipe used.
