

PVC INSERT FITTINGS – COMBINATION TEES

SPECIFICATIONS:

- The Plastic Combination Tee features lateral plastic pipe inserts and a male iron pipe (MIP) connection, providing a versatile solution for a wide range of plumbing needs.
- Constructed from durable PVC, it delivers long-lasting performance, making it an excellent choice for both residential and professional plumbing applications.
- The smooth design allows for quick and easy installation.
- The maximum pressure and temperature ratings depend on the material and specifications of the pipe used, ensuring compatibility with diverse systems.
