

PVC INSERT FITTINGS – BULLHEAD TEES

SPECIFICATIONS:

- The Plastic Bullhead Tee effortlessly features lateral plastic pipe inserts and a riser insert connection, providing a versatile solution for a wide range of plumbing needs.
- Constructed from durable PVC, it delivers long-lasting performance, making it an excellent choice for both residential and professional plumbing applications.
- Its compact design makes it ideal for tight spaces, while its sturdy construction guarantees long-lasting use.
- Designed to efficiently split water flow in two directions from a single pipe, making it perfect for branching connections.
- Installation is quick and simple using glue or screw connections.
- The maximum pressure and temperature ratings depend on the material and specifications of the pipe used, ensuring compatibility with diverse systems.
