

INSERT FITTINGS – COUPLINGS

NO-LEAD BRONZE

SPECIFICATIONS:

- Crafted with precision engineering, this no-lead bronze barb x barb coupling with hex ensures a seamless and secure pipe-to-pipe connection, setting the standard in precision and reliability.
- Designed to connect flexible polyethylene pipe effortlessly, this coupling features a multi-barb insert x insert design, allowing for the use of two clamps for a more secure and efficient pipe connection.
- Made from durable, corrosion-resistant contractor-grade bronze, it offers long-lasting performance, especially for outdoor and ground-bury applications. The hex design provides an easier grip during installation.
- Hose clamps (sold separately) ensure a secure and easy installation.
- The maximum pressure and temperature ratings depend on the material and specifications of the pipe used, ensuring compatibility with diverse systems.
