

# EXTRA-LONG COUPLINGS NO-LEAD BRONZE – INSERT FITTINGS

## SPECIFICATIONS:

- Crafted with precision engineering, this no-lead bronze extra-long barb x barb coupling with hex ensures a seamless and secure pipe-to-pipe connection, setting the standard in precision and reliability.
- Designed to connect flexible polyethylene pipe effortlessly, its extra-long barb design allows for the use of two clamps, ensuring a tighter and more secure fit.
- Made from durable, corrosion-resistant contractor-grade bronze, it offers long-lasting performance, especially for outdoor and ground-bury applications. The hex design provides an easier grip during installation.
- Hose clamps (sold separately) ensure a secure and easy installation.
- The maximum pressure and temperature ratings depend on the material and specifications of the pipe used, ensuring compatibility with diverse systems.
