

INSERT FITTINGS – FEMALE ADAPTERS

NO-LEAD BRONZE

SPECIFICATIONS:

- Crafted with precision engineering, this no-lead bronze female adapter is designed for securely connecting flexible polyethylene pipe.
- Constructed from solid, corrosion-resistant no-lead bronze, this fitting offers an economical and easy-to-install solution for connecting well pumps or submersible pumps to flexible pipes.
- Compliant with federal low lead regulations, this female adapter ensures both safety and durability in various plumbing applications.
- The insert barb x FNPT connection design provides a secure and efficient pipe connection.
- Hose clamps (sold separately) ensure a secure and easy installation.
- The maximum pressure and temperature ratings depend on the material and specifications of the pipe used, ensuring compatibility with diverse systems.
