

EXTRA-LONG MALE ADAPTERS NO-LEAD BRONZE – INSERT FITTINGS

SPECIFICATIONS:

- Crafted with precision engineering, this no-lead bronze fitting is designed to connect flexible polyethylene pipe to an extra-long barbed end and a female NPT thread to the male end, providing a secure and reliable connection.
- Made from durable, corrosion-resistant no-lead bronze, this fitting offers an economical and easy-to-install solution for connecting well pumps or submersible pumps to flexible pipes.
- Compliant with federal low lead regulations, this no-lead bronze male adapter ensures both safety and durability in various plumbing applications.
- The extra-long insert barb x threaded design allows for a secure and efficient pipe connection. The hex design provides an easier grip during installation.
- Hose clamps (sold separately) ensure a secure and easy installation.
- The maximum pressure and temperature ratings depend on the material and specifications of the pipe used, ensuring compatibility with diverse systems.
