

INSERT FITTINGS – ELBOWS

304 STAINLESS STEEL

SPECIFICATIONS:

- Crafted with precision engineering, this insert barb x insert barb 90-degree elbow ensures a seamless and secure pipe-to-pipe connection, setting the standard in precision and reliability.
- The sturdy flat bottom base enhances stability, while the full-length set of insert barbs ensures a reliable and durable connection.
- The solid casting construction provides both strength and economy.
- Made from all 304 stainless steel, the fitting offers corrosion resistance, ensuring long-lasting and reliable performance.
- Hose clamps (sold separately) ensure a secure and easy installation.
- The maximum pressure and temperature ratings depend on the material and specifications of the pipe used, ensuring compatibility with diverse systems.
