

INSERT FITTINGS – FEMALE ADAPTERS

304 STAINLESS STEEL

SPECIFICATIONS:

- The plastic pipe to female iron pipe adapter features a rounded body that connects flexible polyethylene pipes to the barbed end, while the female end fits securely into a male NPT thread.
- Designed with a full-length set of insert bars, this adapter ensures a secure connection.
- The solid pipe construction provides both strength and economy.
- Made from all 304 stainless steel, the fitting offers corrosion resistance, ensuring long-lasting and reliable performance.
- Featuring an insert barb x FNPT connection design, it provides a secure and efficient pipe connection.
- Hose clamps (sold separately) ensure a secure and easy installation.
- The maximum pressure and temperature ratings depend on the material and specifications of the pipe used, ensuring compatibility with diverse systems.
